

# BRUNNER BUGLE

## Great Brunner Bake Off

Students and teachers were pitted head to head in the first Brunner Bake Off.

Ms Ross kept the cake type a secret right up until the cooking was ready to begin.

After much egg cracking, careful measuring, and mixing the best sponge cake was announced by Mr Mc Cormack, made by Martin Keane and Aaron Brady! Huge well done to our top chefs.

## The Big Dig

This term, The Big Dig rolled into Brunner.

The School of Irish Archaeology arrived with a huge trailer of buried bones and artefacts from Ireland's ancient past.

Students were quick to grab trowels and brushes to see what treasures they could find buried in the soil.

Well done to all 1st, 2nd and 3rd year students for getting down and dirty to make it a great success.

## Stand Up Awareness Week

During this term we held an awareness week for the LGBT community. Each of the three school buildings were decked out in Pride flags to show our support.

Tutors also held information sessions with year groups, explaining some important LGBT terms to understand the community a little bit more.

We also turned our school yard into a walking, talking pride flag. Students of each year group were invited to wear a certain colour that is typically represented on the pride flag.

Well done to all the students and staff for participating and showing off some colour in style.

## Art Installations

Our caretaker/sculptor Mike has also been very busy this term.

Mike has created some amazing art displays from disused tyres.

Mike has managed to sculpt a swan and flower wall from the tyres! Both of these pieces compliment our Brunner tyre garden. Great work Mike, we can't wait for you to unveil your next piece.

## Brunners Brunch

The Brunner Brunch is a big student favourite at this time of year. Our whole school got the chance to sit down in the hall together and enjoy some food along with some Christmas music. Well done to all the students and staff involved in organising it.

## Quiz corner

- 1) Who is the author of the Harry Potter series?
- 2) What football manager won 3 consecutive Champions League trophies?
- 3) What was the Victoria Sponge cake named after?

Wishing you all a Merry Christmas and Happy New Year from all the staff of St Paul's CBS.

## Brunner Halloween Fancy Dress

This year the Brunner fancy dress was taken, once again, to a whole new level.

This year we had costumes inspired by Disney Movies, Baywatch, Video games and of course, scary movies.

Well done to all students and staff for donning your best spooky gear!

## Green Schools Committee

Our Green Schools committee has been working really hard this term. While raising school awareness around energy consumption, waste management and water conservation the team has entered a competition with Friends Of the Earth to win Solar Panels for the school. Well done on all your great work this year.

## Grease Performance

A huge congratulations to all the boys and girls of Brunner and Mount Carmel for their amazing performance of Grease. We're sure you'll have stars on the Hollywood walk of fame in no time!
